Tauru is the most progressive city of Haryana India. In terms of adopting an upwardly mobile lifestyle, commercialization and world class infrastructure. There has been a great transition in the way the business works now from what it had been earlier. Shopping malls the coming in of the lounge culture has all received a warm welcome by the city dwellers and those who aspire to do business in the markets of Tauru. Keeping in mind the needs of the business persons. As we know that Tauru is near by the HI-Tec city Gurgaon. In Gurgaon there are heavenly malls. So for that Reasons there is no mall in Tauru ,So we, are coming first time with best location in Tauru with the mall to chilling out experience and with verity of huge fashion stores and mix of shops in the capital region with lots of new amenities. It is the first mall in which you found elevators and escalator which attracts the customers. This mall is a complete new experience for the shopping mall which fulfills all the basic needs of visitors of Tauru the mall is coming up in Sohna Rewari Road developed by Patliputra Builders in Tauru. Where is the most prestigious address of the city in term of infra structural development.

Retail Therapy

P Mall will be dedicated to providing hassle free solutions to execute business through spacious and comfortable for both large and small retail space. Pamper the big shoppers in you in a luxury retail atmosphere.

Indulge in your passion for shopping that elevates itself to an art. All top brands of apparel and garments. Here profit moves into overdrive where the best global brands meet the desire and demand of overcrowded customers. Here the footfalls of shoppers beings pulsating profits to the retail business.

P Mall aims to be an umbrella mall in which various brands from all prominent. Commercial sectors will be assimilated under one roof. The construction of P Mall will be a new benchmark for other competition. World class infrastructure modern exterior and interiors designs of this mall will be something to watch out for. It will be a unique structural concept since it aims to give business persons a competitive and strong selling ambience in a mall like environment. The concept of P Mall has been developed following extensive customer research, market demand and changing mindsets instead of working in an open market and limited spacious shops, business persons will get a chance to work in an air conditioned atmosphere with all the basic amenities provided.
